Lions, Lionesses, and Leos, of District 14 B,
I am humbled by the opportunity to serve as the District Governor of District 14B during the first year of the second century of Lionism. For at least the next three years the International theme will be We Serve which of course is the Lions Motto. As it was explained by International Lions President, Naresh Aggarwal, the most important word in Lionism is We. By all of us working together we can make the world a little better place by helping those in need as they face life’s challenges. The second most important word in Lionism is Serve. After all the Lions are a service organization with a long and strong tradition of helping serve those in our communities as well as throughout the world.

Our membership can be strengthened through an aggressive commitment to relevant service projects that will attract dedicated men and woman who believe in the value of volunteerism. It is no secret that the Government at all levels has been reducing funding for social services. This makes the roles of Lions that much more important. Let’s think of this reduction by the government as an opportunity to show the world who we are and what we can do.

While we are serving others, it is also important that we serve each other by taking care of our most valuable asset – our members. Let’s make sure that new members are properly orientated as well keeping older members interested in continuing to be contributing members. It is important that all our members are accepted and respected. It is also important that we try to get every member involved at some level.

If Lionism is to survive, strong effective leadership is essential. Through leadership training programs including the various on-line courses available on the LCI website members can learn self-confidence and leadership skills that will sustain Lionism into the future.

Let’s not forget our youth for they are our future. Leo clubs are a great way to serve our young people. The Leo’s were founded in Pennsylvania 60 years ago and they have been an integral part of the Lions organization ever since. We can also serve the youth with the Peace Poster and essay contests.

So let’s go out and have a great year and most importantly have a fun year. After all we are very fortunate in being associated with really great people. Remember… Where there is a need there should be a Lion.

Yours in Lionism,

DG Geoff
Fellow Lions, Lionesses, and Leos of District 14B,

Six Lions from District 14-B boarded the train for Chicago at about 12:30 am for an all-night ride to Chicago. Lions George Belles and Mary Ann Belles; Barb Rebovich; Barb Schimmel; my wife Barb (yes three Barbs who we promptly started calling Barb 1, Barb 2 and Barb 3) and myself. PDG Carol Richardson from District 14-E and about 25 other Lions from Harrisburg, Lancaster and New York were also on the train, but in different cars. We arrived in Chicago at about 9:40 am, had breakfast at the train station, then caught cabs and Ubers to the Hyatt Regency Chicago. We were all checked in by 11:30 am. (Thursday). I should mention here that the entire PA Delegation, all DG-Elects from all countries, the New York Delegation and many others were staying at the very large Hyatt Regency Chicago.

My Barb and I then walked to Wendella Sightseeing Boat and went on an Architectural Boat Tour on the Chicago River. It was very interesting and a worthwhile tour for anyone going to Chicago. The other 14-B Lions went to the McCormick Place Convention Center to register, which took them about 20 minutes. The next day, (Friday) my Barb and I had to wait in the “Pre-registered Line” for 1 hr. and 40 minutes to get a yellow Convention bag with the Convention Program, Name Badge Holder and Convention Souvenir Badge. We met and got to know a nice couple from MD-20 (Lions Clubs of New York and Bermuda) who we ended up seeing many times during the convention. There was a line that was at least as long for those who had not “Pre-registered”. After getting our “stuff” we headed upstairs, and checked out some of the mandatory things, such as registering for Chevy Cruze and Harley Davidson Giveaways, getting an innovative LCI Smart USB which allows you to easily connect to the LCI website and see almost everything, including seminars, that took place during the convention. We also got to indulge in a Lions 100th Birthday cupcake. We also checked out a booth that had information about the new MyLion app.

The next Day (Saturday) was the Pennsylvania Delegation Breakfast at our hotel, followed by the International Parade, a 5-1/2 hour long event that you have to see to believe. Most of our 14-B Lions marched in the parade, but Lions Mary Ann Belles, my Barb and I chose instead to walk ahead to halfway down the parade route where we got seats at the reviewing stand. The incoming International President is Dr. Naresh Aggarwal of Batala, Punjab, India, so the Lions Delegation from India was many city blocks long. It was very impressive, because they all wore traditional outfits of India. The Delegation from Japan was also blocks long and they also wore traditional Japanese garb. Of course, the delegations from the United States were also large, not nearly as impressive because we wear Multi District garb rather that United States garb. Then on Saturday night, the Opening International Show was the Beach Boys, who put on a phenomenal show. I never really considered myself a Beach Boys fan, but I guess I never really realized just how much of their music I had listened to over the years. Wow, what a great show. After we got back to the hotel, the three Barbs, PDG Carol Richardson and I decided to have Giordano’s deep-dish Chicago style pizza for dinner. We sat and talked and had a couple of beers. The pizza was very good, but completely different than any pizza we can get in Pittsburgh; my wife says it’s now her favorite; I still prefer Vincent’s or Mineo’s.

On Sunday, we went to the Opening Plenary Session, where outgoing International President Chancellor Bob Corlew delivered his farewell address. The thought provoking keynote speech about the environment was by Nobel Peace Prize Winner and former US Vice president Al Gore. The centennial torch lighting ceremony and international flag ceremony with a performance by the Chicago gospel choir were not to be missed. I wore my DG Green Uniform (jacket with pins and 2nd Vice District Governor patch, Lions tie, white pants, white shoes) so that I could get a professional picture taken by a photographer the LCI had available during the convention. While dressed this way, I was approached by many Lions from Japan, Korea and India to take “selfies” which I’m sure were quickly posted to twitter and Facebook accounts all over the world. I guess they liked the green jacket (or the fat man wearing it). I sat in on an “Millennials are from Mars; Baby Boomers are from Venus!” seminar that was very interesting. I also ate my first Chicago Style Hotdog (all-beef frankfurter on a poppy seed bun topped with yellow mustard, chopped white onions, bright green sweet pickle relish, a dill pickle spear, tomato slices or wedges, pickled sport peppers (yes, I said sport peppers) and a dash of celery salt). It’s better than you would think. I also saw a Lion from another country and his young daughter put sweet green relish on their cheese pizza. Odd! That evening was the Pennsylvania Delegation Reception at the Hyatt Regency Chicago. It was very nice and the Pennsylvania All-State Band played all evening. They did a wonderful and very professional job, with lots of big band music. We met about five Lions from Southern Africa and had an enjoyable time talking to them.
Monday was the Second Plenary Session with speeches by former U.N. General Secretary Ban Ki Moon and LCIP Chairman Yamada. There were also performances by the Blues Brothers Revue, David Archuleta of American Idol fame and the amazing African Children’s Choir. My Barb and I spent most of the rest of the day conventioneering, shopping the various stores that were set-up that had all kinds of Lions stuff, clothing and jewelry, and just having a good time. I attended a LCI Smart USB Seminar and then DG Geoff and I attended a DG only “District Governor Administrative Meeting with the English Language Department”. That night was the Closing International Show featuring the band Chicago, which is one of the world’s best-selling longest running (50th Anniversary this year) and most successful rock groups of all time. It was a very high energy and loud show. My ears are still ringing. After the show, the six train Lions from 14-B along with DG Geoff Temple, his wife Mary Ann and PDG Carol Richardson all went to Michael Jordan’s Steak House, where we had a very enjoyable and entertaining evening and a few bottles of wine.

Tuesday was the 4th of July and also the Closing Plenary Session where outgoing International President Chancellor Bob Corlew’s home state of Tennessee was saluted with a performance by Country Music Legend Charlie Daniels and his band. The Humanitarian Award—the highest honor bestowed to a non-Lion was presented to Mr. Stan Brock-founder of Remote Area Medical. The keynote speaker and performer was Patty LaBelle, who talked about her trials of dealing with Diabetes. Helen Keller’s great grandniece Keller Johnson-Thompson reenacted her great aunt’s plea to Lions to be Knights of the Blind. There was also a performance by the Mandala Art Dancers of Chicago. The new LCI president, Dr. Naresh Aggarwal, took his oath of office followed by a long and enthusiastic demonstration by the Lions of India. Then Dr. Aggarwal inducted the 2017-2018 District Governors. I got to pull the “Elect” ribbon from DG Geoff Temple’s ID badge, which I thought was an honor. After the session, four of the six train Lions along with PDG Carol headed back to Pittsburgh on the 6:40 pm train. DG Geoff and Mary Ann stayed over until the 5th, but had plans with family. My Barb and I had signed up for a 4th of July Dinner Boat Cruise on Lake Michigan with the MD-20 Lions of New York and Bermuda. (I understand that lot of Lions from New York retired to Bermuda, so that’s how they ended up being connected.) While waiting for the bus to go to the 4th of July boat ride, I looked up and recognized an old friend who I hadn’t seen for nearly 15 years. Former Monroeville Lion Gary Brown and his wife Barb (yes, another Barb) were standing right in front of us. I slapped him on the back of the head to get his attention and we ended up spending most of the evening talking. Lion Gary moved to New York back in 2003 and joined the Harrisville, NY Lions Club. He eventually became the District Governor and after that the Council Chairman. Past Council Chairman Gary has been endorsed by MD-20 for International Director and may be elected International Director as early as next year at the 101st Lions Clubs International Convention in Las Vegas, Nevada. Gary Brown was my sponsor into the Monroeville Lions over 32 years ago! We also ran into and talked to the couple from New York that we had met while standing in line on the first day. What goes around comes around!

On Wednesday, Barb and I took a hop-on-hop-off double-decker bus tour of Chicago. We got to see “the Bean” in Millennium park and went to the Navy Pier where we had lunch at the Bubba Gump Shrimp Company Restaurant. Then we hopped back on the double decker, went back to the hotel, picked up our luggage and caught a cab to Union Station and the train for home. We got to Pittsburgh at 5:10 am and were home by 7:00 am.

If you’re not having fun, you’re not doing it right!

WHERE THERE’S A NEED, THERE’S A LION

1st Vice District Governor
Lion Kirby Marchand

DISTRICT CABINET MEETING – AUGUST 19TH

District Governor Geoff Temple has issued a call for the first District 14-B Cabinet meeting to take place on Saturday, August 19th at the Western PA School for Blind Children at 9:00 AM. The Oakmont Lions hosted their annual Father’s Day Car Show at Riverside Park on June 17th. The event has been a tradition in Oakmont for the past 54 years. Over 150 cars participated in this year’s show. Proceeds from the show benefit the Lions vision related causes and local charities. Lions Jeff Kline and Jim Welsh greeted the patrons at the front gate.

International Convention Impressions...

This convention was my second international convention. Both times I have gone as a DGE (District Governor Elect) which means I had the opportunity to receive additional training in leadership and an in-depth understanding of Lionism. My first convention was in Seattle in 2011 and it was a wonderful experience. This convention too was a wonderful experience and I again marveled at the preparation that comes before these events.

This convention was held in Chicago in order to celebrate the 100th birthday of Lions in the city where it all began. Apparently, many Lions from around the world wanted to be part of this milestone event. There were about 30,000 pre-registrants and it was reported that there were another 10,000 walk-ins. There seemed to be large groups of Lions gathered everywhere we went both at the convention center and throughout Chicago. Lions were dressed in the Lions uniforms of their multiple districts and their native countries and many native languages were spoken. The Lions parade was a truly spectacular event which even impressed the city of Chicago. I really got a sense of how large and how global the Lions organization is. As overwhelming as the crowds were, they only represented about 2.5% of total Lions worldwide. The enthusiasm of the audience was inspiring. Videos and upbeat music kept all of the attendees engaged and often conversations on the many bus rides were discussions of the sessions and the entertainment. Former Vice President, Al Gore, spoke passionately about global change, while the Beach Boys had the audience reminiscing about their youth.

As we departed Chicago, I was energized by seeing Lions from around the world coming together and committing to making “WE SERVE” come alive in their communities.

District Governor Geoff Temple

AN INTERNATIONAL WORK PARTY...

Lion Barb volunteered her time along with 8 other teams of 5-6 people to clean the 62nd St. Beach on Friday morning during the International Convention. It was so much fun meeting and working alongside so many wonderful people from Brazil, Germany, Africa and of course the United States. This event provided us the opportunity to learn more about the environment and littering of our waters and beaches.

100 Years of Lions at the International Convention Chicago This was an amazing time. The waves of Lions from so many countries very overwhelming. I'm so glad that I had the opportunity to go with fellow Lions from District 14-B. Lots of walking. Lots of good food. Lots of laughs. Lots of Fellowship.

Leona and I attended the international convention and had a great time. The sessions in the convention hall were good and interesting. IPIP Bob Corlew made great presentations. The flag ceremony was stirring as it always is. We marched in the parade with a wonderful bunch of Pennsylvanian’s. We especially enjoyed the Beach Boys presentation, which was a reprise of the Minneapolis convention when I was coming in as Council Chair. On the other hand, the musical group Chicago was awfully loud and we left after about twenty minutes. I guess we are in the wrong generation! We had an interesting and educational river tour highlighting the architectural features of many building. We also enjoyed several restaurants in the city. By driving to Kalamazoo, Michigan to visit my sister and brother-in-law and then taking the train to Chicago and back, we avoided the heavy traffic in Chicago, not to mention the high parking charges. All in all we had a wonderful time meeting so many Lions from across the world. All Lions should not miss the opportunity to attend at least one international convention. Once they attend, they will be hooked and will want to attend again and again. 

PDG Dr. Jay Wells, III
Members of the McKeesport Lions Club have worked hard during the past year to raise funds to build the new Concession Stand in Renziehausen Park in the Lions Bandshell area. This permanent stand will enable the club to sell concessions during the Summer Concert Series without worries of the old tent top being ruined by summer storms. The stand will also be utilized by the McKeesport Recreation Commission during their Summer Family Movie presentations at the Lions Bandshell to provide children attending with free popcorn and lemonade. Future concession sales will be used to help improve the bandshell area, an area of which the club is very proud of, with past members of the club having built the bandshell between the years of 1952 and 1953.

The July 4th concert of the Summer Concert Series by the McKeesport Lions Club featured the band “Satisfaction”, a Rolling Stones Tribute Band. The crowd swelled to over 1,000 in anticipation of the fireworks show that followed the concert, and both shows were enjoyed by all in attendance. Looking out into the crowd, one could see folks singing along, dancing, and having a great time decked out in their holiday colors and American flag prints. Ages in attendance ranged from 4 months to 99 years – proving that a great concert and fireworks show (presented by the City of McKeesport, McKeesport Lions Club and RAD) can be enjoyed by one and all. Another successful concert in the books for the McKeesport Lions Club! On July 9, The Jaggerz played at the Lions Bandshell in Renziehausen Park. It was a record-breaking crowd, and we look forward to seeing fellow Lions attending our concerts. Shows are sponsored by the City of McKeesport, McKeesport Lions Club and RAD. Stop by our concession area to purchase food or soft drinks to help fund upcoming concerts.
District Governor. Geoff Temple had the honor of inducting Stephen Siedelson into the Elfinwild Lions club. The picnic, a Region 1, Zone A Social was held with the North Allegheny club attending. A great time was had by all.

Pittsburgh DeafBlind Lions Club held a fundraiser at Hollywood Lanes in Dormont for Erkan who is from Turkey. He approached the club asking for help towards his tuition for Temple University. He has been working at the University of Pittsburgh for the last 8 years as a molecular biology research specialist. He was accepted into Temple University, Fox School of Business. This will move him towards his dream of getting a MBA in Health Sector Management. He received a $10,000 Tuition Scholarship from the university. He needed help raising up to $20,000. He raised over $10,000 on Go Fund Me from family, friends and strangers. We were able give to him over $500 from the event. Thanks to all who helped and Hollywood Lanes for giving us the venue - that was really great.

The Global Action Team consists of the GLT, GMT and the newly created GST. By working together as one team, the Global Action Team, along with LCIF, will enable us to expand on our motto, "We Serve," as it takes on a new and unified approach to service, membership and leadership development at all levels of the association. The Global Action Team will launch on July 1st.

If you were unable to join us at Convention, Past International President Dr. Tam will also present information on the Global Action Team during the area leadership forums throughout the year.

Additional information will also be available on our Lionsclubs.org website after July 1st.
Each day, Pittsburgh Pirates manager Clint Hurdle sends out an inspirational message. This one is from July 28th, 2017.

By Randy Gravitt

When I was a kid, I lived in a small town. Every couple of weeks my Dad would tell me to hop in the truck and we would head off to the local Barber Shop. I hated it.

It always made my neck itch and I usually had to take a bath afterwards. What kid wants to deal with an itchy neck and a bar of soap?

But I always got the feeling that my Dad had a different view of the Barber Shop. For him it was a place to shoot the breeze with a few of the locals. The men would sit around and talk about sports and politics while the Barber dished out the itchy necks to the sons.

Looking back I can see that there was value in the Barber Shop for a leader like my Dad. Several things come to mind.

1 – It kept him aware of what was relevant in our town.

2 – It was a place for him to share ideas and listen to the opinions of his friends and neighbors.

3 – It gave him an escape from the stresses of the office.

4 – It was a place where he could laugh.

Today’s leaders are no different from my Dad’s generation. We still need outlets where we can be a part of the conversation.

You may choose a different venue, but the values are still the same. Find a place where you can listen, learn, and laugh and you will be a better leader.

And if you decide to take your son along, don’t expect him to enjoy it if there is a Barber involved.

“Great leaders have a place to connect with other leaders.”

“Find a place where you can listen, learn, and laugh and you will be a better leader.”

Make a difference today,
Love Clint Hurdle

Sounds pretty much like going to a Lions meeting!
