Lions, Lionesses, and Leos of District 14 B:

It is hard to believe that with the beautiful weather we have so far this fall, winter is just around the corner which means cold weather. Most of us have options when it comes to dealing with winter. We can stay primarily indoors in our heated homes and work places, we can embrace the winter season by participating in winter activities or we can avoid the situation by just heading to the Sunbelt until spring arrives or any combination of the above. However, for many in our region, the options may consist of either having food on their tables or heating their homes. While we prepare to celebrate Thanksgiving with our families and friends let’s try to remember the less fortunate by donating to local food banks. Perhaps we could prepare dinners and food baskets or donate gently used winter clothing. Also, let’s not forget the victims from the recent hurricanes and our military personnel serving our country. Talking about the military, I just want to say “thank you” to all the veterans out there for service to our country as we honor our military veterans on Veteran’s Day.

I was extremely pleased with the turnout we had at the Rigatoni/ Fall Rally/ Passing of the Banner Night on October 10th. It was really great to see so many of you at a District function and thank you to all who attended. With this event completed it soon will be time to start thinking about the District Spring Party which is tentatively scheduled for the last weekend in April. If anyone has any ideas or thoughts as to what they would like to see or do at it, please contact either IPDG Rich Keller or myself. My goal is to have District events be something members want to go to rather than something they feel obligated to attend.

Since this is the time of the year to be thankful, I would like to say that one of the things that I am thankful for is the Lions Clubs in our District. So far, I have made visitations to about half the clubs in the District and have been impressed with the commitment of the clubs to serving their communities and the world. I am also thankful that the clubs are all committed to increasing membership and the fact they bring up the membership issue in a positive way before I talk about it.

In conclusion, Mary Ann and I would like to wish everyone a very happy and safe Thanksgiving.

Yours in Lionism,  
DG Geoff

Fellow Lions, Lionesses, Leos and friends of District 14-B,

Fall started out quite warm, but during the past week, we have seen more normal Autumn temperatures; we may still have some warm days during our usual Indian Summer. Enjoy those days because winter is less than two months away.

I want to thank everyone who participated in last months, District 14-B and Glassport Lions Club Combined Fall Rally, Passing of the Banner and 51st Annual Rigatoni Night. 157 Lions, Leos and guests representing 21 clubs in District 14-B attended and I’m sure that everyone had a fun time. This was a much better showing than we’ve had for Fall Rallies, Banner Passing or Rigatoni Nights in recent years.

Please plan to attend the 2017 Multiple District 14 Fall Leadership Symposium that will be held on Sunday, November 5 at the Westmoreland County Blind Association, 911 Main Street, Greensburg, PA 15601. The Symposium will take place from 12-5 p.m. There will be snacks. There are topics for all levels of Lionism and all Lions are encouraged to attend. Details are elsewhere in the Cauldron. To Register, Email PDG Deb Burkholder, MD14 Global Leadership Coordinator at kburkholder@dejazzd.com.

The District’s 2nd Cabinet Meeting will take place on Saturday, November 11th at the Western PA School for the Blind at 9 AM. The address is 201 North Bellfield Avenue, Pittsburgh, PA 15213. There will also be a training session for club Presidents and Secretaries at the same time in a different room. Along with training, we plan to provide a live demonstration of MyLCI. All Lions are welcome to attend either the Cabinet Meeting or the training session. There will be a light continental breakfast for those in attendance. If you are coming to the Cabinet Meeting or training session, please RSVP to Coordinator of District Activities IPDG Rich Keller at rkeller5@verizon.net by Thursday, November 9th. When you RSVP, please state whether you are coming for the Cabinet Meeting or the training session, so we can make sure to have enough food and training materials.

I want to remind everyone that this is the last year of our centennial service challenge from Lions Clubs International. Legacy projects can be completed through June 2018, so you still have eight months to complete a Legacy project.

Also, Lions Clubs International has added a new diabetes focus to the other service areas of hunger, environment, and sight. The youth focus is being combined into the other areas and we are encouraged to include youth in all we do. World diabetes awareness day is on November 14th, so this would be a wonderful time to have a project in this area and let our communities know that Lions are now focusing on diabetes.

Finally, if your Club has not already done so, I encourage you to plan a community membership drive to promote Lionism and encourage prospective members to join our great cause. There may be many who would love to be part of our organization; they simply need to learn about us and receive the encouragement to serve. I wish you all well in your continued service and thank you for making a difference.

Important IRS Information For All Lions Clubs

Lions: Please remember that all Lions Clubs, Districts and Multiple Districts that have annual gross receipts less than $50,000 and do not have to file Form 990 or 990-EZ, must file the e-Postcard (also known as 990-N). If your Lions club, district or multiple district has a foundation, which is a separate legal entity, the appropriate form will need to be filed as well.

All filers must register at IRS.gov prior to filing their next Form 990-N. This is a one-time registration if the designated Lion files annually. If the designee changes from a prior year, the new designee must register with the IRS.

Please refer to the following chart regarding annual filing requirements:

<table>
<thead>
<tr>
<th>2017 Tax Year*</th>
<th>Form to File</th>
</tr>
</thead>
<tbody>
<tr>
<td>Gross receipts normally less than $50,000</td>
<td>990-N</td>
</tr>
<tr>
<td>Gross receipts greater than $50,000 and less than $200,000, and total assets less than $500,000</td>
<td>990-EZ or 990</td>
</tr>
<tr>
<td>Gross receipts greater than $200,000 or Total assets greater than $500,000</td>
<td>990</td>
</tr>
</tbody>
</table>

The e-Postcard is due by the 15th day of the fifth month after the close of your tax year. Lions Clubs operate on a fiscal year, July 1 – June 30, and the e-Postcard will be due by November 15th each year. Please note that an organization cannot request an extension for filing the Form 990-N.

If you do not file, you risk losing your tax-exempt status. Any Lions Club that fails to meet its annual reporting requirement for three consecutive years automatically loses its tax exempt status under the new law. A club may get reinstated if they complete an application for recognition of exemption even if they originally fell under a group exemption.

Every Club and/or District (single, sub- and multiple) must have an employer identification number (EIN), even if it will not have employees. The EIN is a unique number that identifies the organization to the Internal Revenue Service. To apply for an EIN, you should obtain a Form SS-4 and its Instructions from the IRS. You may also apply for an EIN online, by telephone (1-800-829-4933), or by fax (fax number at the location accepting applications from your state). It is important that the Clubs and Districts are using the correct EIN for their annual filing.

For frequently asked questions about tax issues and regulations affecting Lions clubs and leadership, go to the Lions Tax FAQ. Go to www.irs.gov/ezo for complete details and while you’re there sign up for Exempt Organization’s free email newsletter, EO Update, to receive up-to-date information posted on the charity pages of irs.gov.

Veterans Day is an official United States public holiday, observed annually on November 11, that honors military veterans, that is, persons who served in the United States Armed Forces. It coincides with other holidays, including Armistice Day and Remembrance Day, celebrated in other countries that mark the anniversary of the end of World War I; major hostilities of World War I were formally ended at the 11th hour of the 11th day of the 11th month of 1918, when the Armistice with Germany went into effect. The United States previously observed Armistice Day. The U.S. holiday was renamed Veterans Day in 1954.

The following two pages are the Lions members who were reported last year as being veterans. To those whose names do not appear, we offer our apologies, and to those who are no longer with us, we offer our deepest sympathy and gratitude for their service.

VETERAN

I was a proud veteran
That served my country well.
To those that would listen
I had many stories to tell.

We fought for America’s freedom
In far away places on foreign land.
Wherever the battle for democracy raged,
America’s finest made a stand.

We fought for your future
And the right to remain free.
For we saw what freedom meant
To those not blessed with Liberty.

For you and yours
We would gladly have given our life.
We faced the fears and perils of battle
We braved endless turmoil and strife.

Please remember us veterans
And the sacrifices we made for you.
Please share the blessings of freedom
Proudly wave the red, white and blue.

that our flag was still there.

Broad stripes and bright stars gave proof....
World Diabetes Day

World Diabetes Day is coming up on Tuesday, November 14. That's when Lions and Leos around the world will elevate the fight against diabetes.

We're asking your club officers to schedule a club meeting on that date, or during our Worldwide Week of Service for Diabetes from November 13–19.

Every Lions Club should start talking about diabetes during this week. Please encourage your officers and fellow club members to get involved.

In the meantime, check on-line for updates and info to share with your friends on World Diabetes Day.

Schedule that meeting now!

“Diabetes is passed that way -- over and down, like a knight in chess.”
Greetings!

It is my immense pleasure to send you best-wishes for your remarkable tenure of District Governor. You might have visited Nepal, if not remember in your convenient time. We the Lions in Nepal are eagerly waiting to hear from our respected Lions Leaders like you. For your kind information, Nepal is a landlocked multietnic, multilingual, multi-religious country. Our District 325 B2 Nepal has 318 Lions Clubs and covers 45% geographical areas of the Country.

Emergency support, leadership training, sight for kids’ projects, one club one project, senior citizen residential park, diabetes clinic are some focus in our District. As a District Leader, we are encouraging clubs in numbers of service projects and coordinate with the abroad Districts or Clubs who have same interest and willing to join to these projects.

The main concern is to develop friendship and very much hopeful in these regards. If any Lions in your District are willing for FRIENDSHIP VIIST to NEPAL, we will facilitate them.

I am eagerly waiting your reply.

Sincerely, Lion Ramchandra Dahal - District Chief

Training Institute Management Committee (2017-2018)  District Cabinet Secretary (2013-2014)

Lions Club of Kathmandu, the first Lions Club in Kathmandu and second in the country, Nepal, was established in 1972 in the initiation of 50 young leaders of the society. The club was chartered on 12th July 1972 by the International Association of Lions Clubs.
